DANGER

Toxins from algae in this water can harm people and kill animals

Stay out of the water until further notice. Do not touch scum in the water or on shore.

Do not let pets or other animals drink or go into the water or go near the scum.

Do not eat fish or shellfish from this water.

Do not use this water for drinking or cooking. Boiling or filtering will not make the water safe.

For people, the toxins can cause:

- Skin rashes, eye irritation
- · Diarrhea, vomiting

For animals, the toxins can cause:

- · Diarrhea, vomiting
- Convulsions and death

Call your doctor or veterinarian if you or your pet get sick after going in the water.
