Motion Carried	

Staff Reports:

Mrs. Davis distributed the financial report to the commission. There will be expenditures coming out for the Fish and Wildlife Festival on June 18, 2022.

Mrs. Davis thanked Luis for attending Fishing with Supervisor Joe Baca, Jr. at Glen Helen Regional Park. There were over 150 youth participants and their families in attendance. This event provided many of these participants with their first fishing experience. Multiple County departments participated in this event. They provided activities, information, and giveaways for the participants and their families. Bass Pro Shop presented each youth participant with a fishing pole.

Mrs. Davis explained that the mileage reimbursement policy typically only applies to the Commission meetings. She will confirm County Counsel.

Catfish stocking is starting Thursday, May 19th.

California Department of Fish and Wildlife:

Jeff Villepique, California Fish and Wildlife, gave a report on the habitat and fishery conditions. Joshua Tree has been considered for the endangered species list for the past two years. They are currently waiting to see if Joshua Trees will be officially added to the endangered species list.

Patrol efforts were explained. A discussion occurred regarding issues with citations and the court.

The bear population is expanding into the San Jacinto Mountains, and they are receiving inquiries regarding bear hunting for this area. There's a large amount of compliance concerns regarding fishing regulations and turkey tracks were located in the Morongo Basin.

Fish and Wildlife Warden Luis Garcia discussed the Fishing with Supervisor Joe Baca, Jr. event.

Chanelle Davis, California Fish and Wildlife, discussed Camp Katie and hunting season. This year there will be a junior hunt, family hunt, and the reinstatement of the woman's hunt.

California Department of Fish and Wildlife gave a report regarding the current monitoring system for the desert bighorn sheep population. There are currently 400 active collars on the sheep in Mojave. It was stated that the bighorn sheep have bounced back from the respiratory disease that was killing them in 2018-2019. The California Department of Fish and Wildlife requested a grant from the Commission to assist in the monitoring of bighorn sheep. The Commission stated the County has policies they have to abide
